Dental Hygiene
Journal of the American Dental Hygienists' Association

ANNUAL INDEX

January–December 1987 Volume 61

January 1–48
February 49–96
March 97–144
April 145–192
May 193–240
June 241–288
July 289–336
August 337–384
September 385–432
October 433–480
November 481–528
December 529–576

Author Index

Abrams RA: see Ayers CS, 162.
Allen DS: see Tolle SL, 280. See also: Tolle SL, 318 and Mueller LJ, 546, 1987.
Ayers CS and **Abrams RA:** Noncariogenic sweeteners: Sugar substitutes for caries control. Dent Hyg 61(4):162, 1987.

Bauman DB: See Tolle SL, 280.
Begun JW and **Swisher KW:** Dental hygienist attitudes in Virginia: A comparison of association members and nonmembers. Dent Hyg 61(11):508, 1987.
Bethea SN: Children's attitudes resulting from a dental health fair. Dent Hyg 61(12):556, 1987.
Body KL: The status of continuing education in the dental hygiene profession: A pilot study. Dent Hyg 61(5):224, 1987.
Boyce JS: Risk management: An introduction for the dental practice. Dent Hyg 61(11):504, 1987.
Brown CA: The Challenge of Legislation: Making the dream a reality. Dent Hyg 61(10):473, 1987.

Call RL: see Mann J, 123.
Cancro LP: see Fischman S, 404.
Chan F: see Parker HJ, 116.
Clark BJ: see McDermott RJ, 348.
Clark BR: see Gross KBW, 62.
Creola P: see O'Shea RM, 373.
Daniel SJ, Grose MD, Scruggs RR and **Stoltz RF:** Examiner reliability in evaluating dental sealants. Dent Hyg 61(9):410, 1987.
Darby ML: see Mueller LJ, 546,
DeVore CH: see Hicks MJ [Marilyn], 126.
DiLeone CM: Dental sealants: Information and guidelines for insurance carriers. Dent Hyg 61(1):18, 1987.
Duckworth JE: see Hicks MJ [Marilyn], 126.

Eberhart A: see Gross KBW, 62.

Fiorello LA: see Oshrain RL, 551.
Fischman S, Cancro LP, Pretara-Spanedda P and **Jacobs D:** Distal mesial plaque index: A technique for assessing dental plaque about the gingiva. Dent Hyg 61(9):404, 1987.
Frese PA: see Tate PS, 469.
Frese PA and **Schierling-Wilkes J:** Smokeless tobacco: The role of the dental hygienist. Dent Hyg 61(8):366, 1987.
Furman LJ: see Scarlett MI, 300.

Geraci GM: see O'Shea RM, 373.
Goodwin AM: Oral manifestations of AIDS: An overview. Dent Hyg 61(7):304, 1987.
Greene J: see Mann J, 123.
Greenless RM: see Rich SK, 176.
Grose MD: see Daniel SJ, 410.
Gross KBW, Overman PR, Clark BR, Eberhart A and **Love J:** Sanguinarine and essential oil mouthrinses: Effects on plaque and gingivitis. Dent Hyg 61(2):62, 1987.
Gurenlian JR: Professional development of dental hygiene educators: Technological, political and cultural issues. Dent Hyg 61(1):30, 1987.

Haberer J: see O'Shea RM, 373.
Hannebrink R: see Walsh MM, 457. See also: Kerner J, 465.
Harper DS: see Oshrain RL, 551.
Heckman BH: see Walsh MM, 457. See also Kerner J, 465.
Herzog A: see Johnson R, 354.
Hicks MJ [M. John]: see Tilliss TSI, 112.
Hicks MJ [Marilyn], DeVore CH, Duckworth JE and **Horton JE:** Developing the periodontal cotherapist: New directions for dental hygiene education. Dent Hyg 61(3):126, 1987.
Horn ML: see Waring MB, 206.
Horton JE: see Hicks MJ [Marilyn], 126.
Huntley DE: Andragogy in plaque control instruction. Dent Hyg 61(1):24, 1987.
Ibsen OAC: Report of the Editorial Director, *Dental Hygiene.* Dent Hyg

61(6):252, 1987.
Jacobs D: see Fischman S, 404.
Johnson R and **Herzog A:** Oral effects of smokeless tobacco use. Dent Hyg 61(8):354, 1987.
Kerner J: see Walsh MM, 457.
Kerner J, Hannebrink R Heckman BH and **Walsh MM:** The effect of extended functions legislation on dental hygiene education and practice in California. Dent Hyg 61(10):465, 1987.
Kohut RD: see Maloney JM, 310.
Kraemer LG: Professional socialization: A comparison of dental hygiene graduate's professional and interpersonal values. Dent Hyg 61(12):562, 1987.
Lamster IB: see Oshrain RL, 551.
Love J: see Gross KBW, 62.
Macdonald G: Hazards in the dental workplace. Dent Hyg 61(5):212, 1987. See also: Rich SK, 176.
Maloney JM and **Kohut RD:** Infection control: Barrier protection and the treatment environment. Dent Hyg 61(7):310, 1987.
Mann J, Call RL, Greene J, Sgan-Cohen H: The future of dental hygiene in Israel. Dent Hyg 61(3):123, 1987.
McCann AL and **Wesley RK:** A method for describing soft tissue lesions of the oral cavity. Dent Hyg 61(5):219, 1987.
McClain DL: Dental hygiene care for the Alzheimer's patient. Dent Hyg 61(11):500, 1987.
McCormack KR: see McDermott RJ, 348.
McDermott RJ, Clark BJ and **McCormack KR:** The reemergence of smokeless tobacco: Implications for dental hygiene practice. Dent Hyg 61(8):348, 1987.
Meiller TF: see Niehaus CS, 414.
Miller SS: see Vennetti CM, 168.
Motley WE: Report of the Historian. Dent Hyg 61(6):255, 1987.
Mueller LJ, Darby ML, Allen DS and **Tolle SL:** Rotary electric toothbrushing: Clinical effects on the presence of gingivitis and supragingival dental plaque. Dent Hyg 61(12):546, 1987.
Neupert AH: AIDS and the dental team. Dent Hyg 61(7):314, 1987.
Niehaus CS, Meiller TF, Peterson DE and **Overholser CD:** The dental hygienist's role in a pediatric oncology center. Dent Hyg 61(9):414, 1987.
Odrich J: Education and regulation: The tangled web. Dent Hyg 61(10):456, 1987.
Odrich J and **Wayman DE:** Institutional setting and burnout levels in dental hygiene educators. Dent Hyg 61(2):74, 1987.
Orton GS: Clinical use of an air-powder abrasive system. Dent Hyg 61(11):513, 1987.
O'Shea RM, Sielski KA, Creola P, Geraci GM, Haberer J and **Sowinski JA:** Helping patients quit smoking: The dental hygienist's role. Dent Hyg 61(8):373, 1987.
Oshrain RL, Fiorello LA, Harper DS and **Lamster IB:** Oral irrigation devices: A clinical evaluation. Dent Hyg 61(12):551, 1987.
Overholser CD: see Niehaus CS, 414.
Overman PR: see Gross KBW, 62.
Parker HJ and **Chan F:** The prestige of dental hygienists: Ratings by health care providers. Dent Hyg 61(3):116, 1987.
Parker ME and **Williams H:** Cross-infection and cross-contamination: The relationship between subungual bacteria and fingernail length. Dent Hyg 61(2):68, 1987.
Pattison AM and **Waldman KB:** The impact of expanded functions legislation on a baccalaureate degree dental hygiene curriculum. Dent Hyg 61(10):461, 1987.
Peterson DE: see Niehaus CS, 414.
Pretara-Spanedda P: see Fischman S, 404.
Reid PM and **Wagner C:** A smokeless tobacco education program. Dent Hyg 61(8):370, 1987.
Rich SK, Macdonald G and **Greenless RM:** Personality and performance: Student profiles as predictors of academic performance. Dent Hyg 61(4):176, 1987.
Sadles MC: Smokeless tobacco: A review of the literature for dental hygienists. Dent Hyg 61(8):360, 1987.
Sasse J: Cutting edges of curets: Effect of repeated sterilization. Dent Hyg 61(1):14, 1987.
Scarlett MI and **Furman LJ:** Infection control: Risk assessment and management for the dental health professional. Dent Hyg 61(7):300, 1987.
Schierling-Wilkes J: see Frese PA, 366. See also: Tate PS, 469.
Scruggs RR: see Daniel SJ, 410.
Sgan-Cohen H: see Mann J, 123.
Shannon SA: Rectangular versus cylindrical collimation: A study of cone cuts on radiographs. Dent Hyg 61(4):172, 1987.
Sielski KA: see O'Shea RM, 373.
Sowinski JA: see O'Shea RM, 373.
Stoltz RF: see Daniel SJ, 410.
Swisher KW: see Begun JW, 508
Tate PS, Schierling-Wilkes J and **Frese PA:** Practice acts and legislation: An historical perspective. Dent Hyg 61(10):469, 1987.
Tilliss TSI and **Hicks MJ [M John]:** Enamel surface morphology comparison: Polishing with a toothpaste and a prophylaxis paste. Dent Hyg 61(3):112, 1987.
Tolle SL: see Mueller LJ, 546.
Tolle SL and **Allen DS:** Assertiveness training: Impact on dental hygiene students. Dent Hyg 61(7):318, 1987.
Tolle SL, Bauman DB and **Allen DS:** Effects of fluoride gels on plaque and gingival health. Dent Hyg 61(6):280, 1987.
Tussing CE: Greetings from the President. Dent Hyg 61(6):276, 1987.
Report of the President. Dent Hyg 61(6):244, 1987.
Vennetti CM and **Miller SS:** Oral contraceptive therapy: Effects on the oral tissues. Dent Hyg 61(4):168, 1987.
Wagner C: see Reid PM, 370.
Waldman KB: see Pattison AM, 461.
Walsh MM: see Kerner J, 465.
Walsh MM, Hannebrink R, Kerner J and **Heckman BH:** The effect of expanded duties legislation on dental hygiene education and practice in California. Dent Hyg 61(10):457, 1987.
Wayman DE: see Odrich J, 74.
Waring MB and **Horn ML:** Sexual harassment: Prevention and legal aspects. Dent Hyg 61(5):206, 1987.
Wesley RK: see McCann AL, 219.
Williams H: see Parker ME, 68.

Subject Index

CLINICAL PROCEDURES

Data collection/patient assessment

Distal mesial plaque index: A technique for assessing dental plaque about the gingiva. Fischman S et al., 404.
A method for describing soft tissue lesions of the oral cavity. McCann AL et al., 219.
Oral contraceptive therapy: Effects on the oral tissues. Vennetti CM et al., 168.
Rectangular versus cylindrical collimation: A study of cone cuts on radiographs. Shannon SA, 172.

Dental hygiene treatment planning

AIDS and the dental team. Neupert AH, 314.
Clinical use of an air-powder abrasive system. Orton GS, 519.
Developing the periodontal cotherapist: New directions for dental hygiene education. Hicks MJ [Marilyn] et al., 126.

CLINICAL PROCEDURES (cont.)

Planning oral hygiene education

Effects of fluoride gels on plaque and gingival health. Tolle SL et al., 280.

Patient education

Andragogy in plaque control instruction. Huntley DE, 24.

Prevention of disease transmission

AIDS and the dental team. Neupert AH, 314.
Cross-infection and cross-contamination: The relationship between subungual bacteria and fingernail length. Parker ME et al., 68.
Infection control: Barrier protection and the treatment environment. Maloney JM et al., 310.
Infection control: Risk assessment and management for the dental health professional. Scarlett MI et al., 300.

CLINICAL PROCEDURES (cont.)
Preventive agents
Fluoride
Effects of fluoride gels on plaque and gingival health. Tolle SL et al., 280.
Oral irrigation
Oral irrigation devices: A clinical evaluation. Oshrain RL et al., 551.
Oral mouthrinses
Sanguinarine and essential oil mouthrinses: Effects on plaque and gingivitis. Gross KBW et al., 62.
Sealants
Dental sealants: Information and guidelines for insurance carriers. DiLeone CM, 18.
Examiner reliability in evaluating dental sealants. Daniel SJ et al., 410.
Radiology
Rectangular versus cylindrical collimation: A study of cone cuts on radiographs. Shannon SA, 172.
Tooth
Polishing and cleansing
Enamel surface morphology comparison: Polishing with a toothpaste and a prophylaxis paste. Tilliss TSI et al., 112.
Devices
Clinical use of an air-powder abrasive system. Orton GS, 513.
Agents
Enamel
Enamel surface morphology comparison: Polishing with a toothpaste and a prophylaxis paste. Tilliss TSI et al., 112.

COMPETENCE/QUALITY ASSURANCE
Evaluation system
Examiner reliability in evaluating dental sealants. Daniel SJ et al., 410.

CONTINUING EDUCATION
Attitude toward
The status of continuing education in the dental hygiene profession: A pilot study. Body KL, 224.
Courses
The status of continuing education in the dental hygiene profession: A pilot study. Body KL, 224.

DELIVERY
General population
Geriatric
Dental hygiene care for the Alzheimer's patient. McClain DL, 500.
Special population groups
Mentally disabled
Dental hygiene care for the Alzheimer's patient. McClain DL, 500.
Oncology (cancer)
The dental hygienist's role in a pediatric oncology center. Niehaus CS et al., 414.

DENTAL HYGIENE BUSINESS
Insurance
Dental
Dental sealants: Information and guidelines for insurance carriers. DiLeone CM, 18.
Practice management
Risk management: An introduction for the dental practice. Boyce JS, 504.
Record keeping
The reemergence of smokeless tobacco: Implications for Dental Hygiene Practice. McDermott RJ et al., 348.

DENTAL HYGIENE CAREERS
Employment settings
The dental hygienist's role in a pediatric oncology center. Niehaus CS et al., 414.
Hazards in the dental workplace. Macdonald G, 212.
Employee/employer relations
Sexual harassment: Prevention and legal aspects. Waring MB et al., 206.
Expanded functions
The effect of expanded duties legislation on dental hygiene education and practice in California. Walsh MM et al., 457.

DENTAL HYGIENE CAREERS (cont)
Expanded functions (cont)
The effect of extended functions legislation on dental hygiene education and practice in California. Kerner JM et al., 465.
The impact of expanded functions legislation on a baccalaureate degree dental hygiene curriculum. Pattison AM et al., 461.
Job satisfaction
Institutional setting and burnout levels in dental hygiene educators. Odrich J et al., 74.
The status of continuing education in the dental hygiene profession: A pilot study. Body KL, 224.
Roles
Helping patients quit smoking: The dental hygienist's role. O'Shea RM et al., 373.
Stress
Institutional setting and burnout levels in dental hygiene educators. Odrich J et al., 74.
Utilization
Developing the periodontal cotherapist: New directions for dental hygiene education. Hicks MJ [Marilyn] et al., 126.
The future of dental hygiene in Israel. Mann J et al., 123.

DENTAL HYGIENE EDUCATION
The challenge of legislation: Making the dream a reality. Brown CA, 473.
Education and regulation: The tangled web. Odrich J, 456.
The effect of expanded duties legislation on dental hygiene education and practice in California. Walsh MM et al., 457.
The impact of expanded functions legislation on a baccalaureate degree dental hygiene curriculum. Pattison AM et al., 461.
Practice acts and legislation: An historical perspective. Tate PS et al., 469.
Curriculum
The effect of extended functions legislation on dental hygiene education and practice in California. Kerner JM et al., 465.
Professional socialization: A comparison of dental hygiene graduates' professional and interpersonal values. Kraemer LG, 562.
Affective skills
Assertiveness training: Impact on dental hygiene students. Tolle SL et al., 318.
Cognitive skills
Developing the periodontal cotherapist: New directions for dental hygiene education. Hicks MJ [Marilyn] et al., 126.
Faculty
Institutional setting and burnout levels in dental hygiene educators. Odrich J et al., 74.
Professional development of dental hygiene educators: Technological, political and cultural issues. Gurenlian JR, 30.
Professional socialization (internships, residencies)
Professional socialization: A comparison of dental hygiene graduates' professional and interpersonal values. Kraemer LG, 562.
Programs
Graduate
Professional development of dental hygiene educators: Technological, political and cultural issues. Gurenlian JR, 30.
Undergraduate
Personality and performance: Student profiles as predictors of academic performance. Rich SK et al., 176.
Students
Personality and performance: Student profiles as predictors of academic performance. Rich SK et al., 176.

ETIOLOGY ORAL DISEASES
Oral manifestions of AIDS: An overview. Goodwin AM, 304.
Nutrition
Noncariogenic sweeteners: Sugar substitutes for caries control. Ayers CS et al., 162.

ETIOLOGY ORAL DISEASES (cont)
Other
Oral contraceptive therapy: Effects on the oral tissues. Vennetti CM et al., 168.
Plaque
Clinical
Distal mesial plaque index: A technique for assessing dental plaque about the gingiva. Fischman S et al., 404.
Tobacco
Helping patients quit smoking: The dental hygienist's role. O'Shea RM et al., 373.
Oral effects of smokeless tobacco use. Johnson R et al., 354.
The reemergence of smokeless tobacco: Implications for Dental Hygiene Practice. McDermott RJ et al., 348.
Smokeless tobacco: A review of the literature for dental hygienists. Sadles MC, 360.
A smokeless tobacco education program. Reid PM et al., 370.
Smokeless tobacco: The role of the dental hygienist. Frese PA et al., 366.

INFECTION CONTROL
AIDS and the dental team. Neupert AH, 314.
Cross-infection and cross-contamination: The relationship between subungual bacteria and fingernail length. Parker ME et al., 68.
Infection control: Barrier protection and the treatment environment. Maloney JM et al., 310.
Infection control: Risk assessment and management for the dental health professional. Scarlett MI et al., 300.
Oral manifestions of AIDS: An overview. Goodwin AM, 304.

INSTRUMENTATION
Sharpening
Cutting edges of curets: Effect of repeated sterilization. Sasse J, 14.
Technique
Clinical use of an air-powder abrasive system. Orton GS, 513.

LEGISLATIVE/JURISPRUDENCE
The challenge of legislation: Making the dream a reality. Brown CA, 473.
Education and regulation: The tangled web. Odrich J, 456.
The effect of expanded duties legislation on dental hygiene education and practice in California. Walsh MM et al., 457.
The effect of extended functions legislation on dental hygiene education and practice in California. Kerner JM et al., 465.
Hazards in the dental workplace. Macdonald G, 212.
Practice acts and legislation: An historical perspective. Tate PS et al., 469.
Regulations
The impact of expanded functions legislation on a baccalaureate degree dental hygiene curriculum. Pattison AM et al., 461.

NUTRITION
Sugar or substitutes
Noncariogenic sweeteners: Sugar substitutes for caries control. Ayers CS et al., 162.

OCCUPATIONAL HAZARDS
Hazards in the dental workplace. Macdonald G, 212.
Communicable diseases
AIDS and the dental team. Neupert AH, 314.
Infection control: Barrier protection and the treatment environment. Maloney JM et al., 310.
Infection control: Risk assessment and management for the dental health professional. Scarlett MI et al., 300.

ORAL HEALTH
Attitude toward
Children's attitudes resulting from a dental health fair. Bethea SN, 556.
The reemergence of smokeless tobacco: Implications for Dental Hygiene Practice. McDermott RJ et al., 348.
Education
School children
A smokeless tobacco education program. Reid PM et al., 370.
General
Oral effects of smokeless tobacco use. Johnson R et al., 354.
Special population group
The dental hygienist's role in a pediatric oncology center. Niehaus CS et al., 414.
Incidence
Oral effects of smokeless tobacco use. Johnson R et al., 354.

PATIENT
Attitude
Children's attitudes resulting from a dental health fair. Bethea SN, 556.
Compliance
Andragogy in plaque control instruction. Huntley DE, 24.
Management
Dental hygiene care for the Alzheimer's patient. McClain DL, 500.
The dental hygienist's role in a pediatric oncology center. Niehaus CS et al., 414.
Helping patients quit smoking: The dental hygienist's role. O'Shea RM et al., 373.

PERIODONTAL DISEASE
Prevention
Effects of fluoride gels on plaque and gingival health. Tolle SL et al., 280.

PLAQUE CONTROL
Andragogy in plaque control instruction. Huntley DE, 24.
Sanguinarine and essential oil mouthrinses: Effects on plaque and gingivitis. Gross KBW et al., 62.
Devices
Oral irrigation devices: A clinical evaluation. Oshrain RL et al., 551.
Rotary electric toothbrushing: Clinical effects on the presence of gingivitis and supragingival dental plaque. Mueller LJ et al., 546.

PROFESSION
Attitudes
Dental hygienist attitudes in the commonwealth of Virginia: A comparison of association members and nonmembers. Begun JW et al., 508.
The prestige of dental hygienists: Ratings by health care providers. Parker HJ et al., 116.
Development
Assertiveness training: Impact on dental hygiene students. Tolle SL et al., 318.
Dental hygienist attitudes in Virginia: A comparison of association members and nonmembers. Begun JW et al., 508.
Professional development of dental hygiene educators: Technological, political and cultural issues. Gurenlian JR, 30.
Professional socialization: A comparison of dental hygiene graduates' professional and interpersonal values. Kraemer LG, 562.
Foreign countries
The future of dental hygiene in Israel. Mann J et al., 123.
Public awareness
The prestige of dental hygienists: Ratings by health care providers. Parker HJ et al., 116.

PUBLIC SERVICE
Screening
Oral cancer
Oral effects of smokeless tobacco use. Johnson R et al., 354.
